UTAH HUMAN RACE

410,000 Utahns are at risk of missing a meal today. Even more alarming is that 1 in 7 Utah kids are unsure where their next meal is coming from.

The Utah Human Race is one of the largest 5K/10K events in the state with close to 5,000 participants last year, and all proceeds directly benefit Utah Food Bank's mission of *Fighting Hunger Statewide*.

This year marks the 17th anniversary of this family-friendly race, which is a major component of our annual Holiday Food & Fund Drive.

We are looking forward to seeing our supporters in person on Thanksgiving morning (November 24), preferably in costume, to help fight hunger while you make room for Thanksgiving Dinner!
